PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

May 4, 2010

INTRODUCTION; PROXY VOTING INFORMATION

Unless we have indicated otherwise, or the context otherwise requires, references in this report to “GAMCO Investors, Inc.,” “GAMCO,” “the Company,” “GBL,” “we,” “us” and “our” or similar terms are to GAMCO Investors, Inc., its predecessors and its subsidiaries.

We are sending you this proxy statement and the accompanying proxy card in connection with the solicitation of proxies by the Board of Directors of GAMCO Investors, Inc. for use at our 2010 Annual Meeting of Shareholders (“the Annual Meeting”) and at any adjournments or postponements thereof. The purpose of the meeting is to elect directors, ratify the appointment of the Company’s independent registered public accounting firm and act upon any other matters properly brought to the meeting. We are sending you this proxy statement, the proxy card, and our annual report on Form 10-K (containing our financial statements and other financial information for the year ended December 31, 2009) on or about April 14, 2010. The annual report on Form 10-K, however, is not part of the proxy solicitation materials.

Shareholders of record at the close of business on March 31, 2010, the record date, are entitled to notice of and to vote at the Annual Meeting. On this record date, we had outstanding 7,131,297 shares of Class A Common Stock, par value \$.001 per share (“Class A Stock”), and 20,292,917 shares of Class B Common Stock, par value \$.001 per share (“Class B Stock”).

The presence, in person or by proxy, of a majority of the aggregate voting power of the shares of Class A Stock and Class B Stock outstanding on March 31, 2010 shall constitute a quorum for the transaction of business at the Annual Meeting. The Class A Stock and Class B Stock vote together as a single class on all matters. Each share of Class A Stock is entitled to one vote per share, and each share of Class B Stock is entitled to ten votes per share. Directors who receive a plurality of the votes cast at the Annual Meeting by the holders of Class A Stock and Class B Stock outstanding on March 31, 2010, voting together as a single class, are elected to serve until the 2011 Annual Meeting or until their successors are duly elected and qualified. Any other matters will be determined by a majority of the votes cast at the Annual Meeting. Abstentions and broker non-votes will count for purposes of establishing a quorum but will not count as votes cast or on any matter. Accordingly, abstentions and broker non-votes will have no effect on the proposal to ratify Deloitte & Touche LLP as GAMCO’s independent registered public accounting firm.

We will pay for the costs of soliciting proxies and preparing the meeting materials. We ask securities brokers, custodians, nominees and fiduciaries to forward meeting materials to our beneficial shareholders as of the record date and will reimburse them for the reasonable out-of-pocket expenses they incur. Our directors, officers and staff members may solicit proxies personally or by telephone, facsimile, e-mail or other means but will not receive additional compensation.

If you are the beneficial owner, but not the record holder, of shares of our Class A Stock, your broker, custodian or other nominee may only deliver one copy of this proxy statement and our 2009 Annual Report to multiple shareholders who share an address unless we have received contrary instructions from one or more of the shareholders. We will deliver promptly, upon written or oral request, a separate copy of this proxy statement and our 2009 Annual Report to a shareholder at a shared address to which a single copy of the documents was delivered. A shareholder who wishes to receive a separate copy of the proxy statement and annual report, now or in the future, or who wishes to receive directions to the meeting site, should submit this request by writing to our Secretary at GAMCO Investors, Inc., One Corporate Center, Rye, NY 10580-1422 or by calling him at (914) 921-5000. Beneficial owners sharing an address who are receiving multiple copies of proxy materials and annual reports and who wish to receive a single copy of such materials in the future will need to contact their broker, custodian or other nominee to request that only a single copy of each document be mailed to all shareholders at the shared address in the future.

The Board of Directors has selected each of Mario J. Gabelli, Douglas R. Jamieson and Christopher J. Michailoff to act as proxies. When you sign and return your proxy card, you appoint each of Messrs. Mario Gabelli, Jamieson and Michailoff as your representatives at the meeting. You may revoke your proxy at any time before the meeting by delivering a letter of revocation to our Secretary at GAMCO Investors, Inc., One Corporate Center, Rye, NY 10580-1422, by properly submitting another proxy bearing a later date or by voting in person at the meeting. The last proxy properly submitted by you is the one that will be counted.

PROPOSAL 2

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

We are asking our shareholders to ratify the selection of Deloitte & Touche LLP. In accordance with our governance documents, the Board believes that such submission is consistent with best practices in corporate governance and is an opportunity for shareholders to provide direct feedback to the Board of Directors on an important issue of corporate governance. In the event that the shareholders do not approve the selection of Deloitte & Touche LLP, the Audit Committee will reconsider the selection of Deloitte & Touche LLP.

The Board recommends that shareholders vote **FOR** ratification of Deloitte & Touche LLP as the Company's independent registered public accountants for the year ended December 31, 2010.

CORPORATE GOVERNANCE

GAMCO continually strives to maintain the highest standards of ethical conduct: reporting results with accuracy and transparency and maintaining full compliance with the laws, rules and regulations that govern the Company’s businesses. The Company is active in ensuring its governance practices are at the leading edge of best practices

Determination of Director Independence

The Board of Directors has established guidelines that it uses in determining director independence that are based on the director independence standards of the New York Stock Exchange. A copy of these guidelines can be found as Exhibit A. These guidelines are also attached to the Board’s Corporate Governance Guidelines, which are available at the following website: www.gabelli.com/corp_gov.html. A copy of these guidelines may also be obtained upon request from our Secretary.

In making its determination of independence with respect to Mr. Prather, the Board considered that the investment advisory subsidiaries of the Company collectively own on behalf of their investment advisory clients as of March 15, 2010 approximately 1.23% of the Class A Common Stock and 5.79% of the Common Stock of Gray Television, Inc. (“Gray”) and 1.24% of the Common Stock of Triple Crown Media, Inc. (“Triple Crown”). This ownership represents approximately 2.93% and 1.24% of the total voting power of Gray and Triple Crown, respectively. Mr. Prather serves as President and Chief Operating Officer and a director of Gray and Chairman of the Board of Triple Crown. Furthermore, an investment advisory affiliate of the Company nominated Mr. Prather as a director of Gaylord Entertainment Company (“Gaylord”). Mr. Prather was elected as a director of Gaylord on May 7, 2009. The Company collectively owns on behalf of their investment advisory clients approximately 11.32% of Gaylord’s Common Stock representing approximately 10.87% of the total voting power of Gaylord as of March 15, 2010. An investment advisory affiliate of the Company also filed preliminary proxy statements with the Securities and Exchange Commission, in which it nominated Mr. Prather as a director of Coachmen Industries, Inc. (“Coachmen”) and Myers Industries, Inc. (“Myers”), respectively. Investment advisory subsidiaries of the Company collectively own on behalf of their investment advisory clients approximately 17.76% of the Common Stock of Coachmen and 10.40% of the Common Stock of Myers as of March 15, 2010. This ownership represents approximately 17.76% and 10.14% of the total voting power of Coachmen and Myers, respectively. The Board further considered the difficulty the Company would encounter in attempting to unilaterally affect the management of Gray, Triple Crown, Gaylord, Coachmen or Myers through the use of its voting power. In making its determination of independence with respect to Mr. Avansino, the Board considered that he has a daughter who works for the Company in a non-executive role, as described under “Certain Relationships and Related Transactions”. With respect to these relationships, the Board considered Messrs. Avansino’s and Prather’s lack of economic dependence on the Company and other personal attributes that need to be possessed by independent-minded directors. Based on these guidelines and considerations, the Board concluded that the following directors were independent and determined that none of them had a material relationship with us which would impair his ability to act as an independent director: Messrs. Avansino, Bready, McGrath and Prather.

The table below sets forth certain information regarding the nominees to the Board of Directors and Committees on which they serve.

<u>Name</u>	<u>Audit Committee</u>	<u>Governance Committee</u>	<u>Compensation Committee</u>	<u>Nominating Committee</u>

The Board’s Role in the Oversight of Risk

The Board’s oversight of risk is administered through the Board as a whole. Jeffrey Farber oversees the Company’s risk management processes. Mr. Farber routinely reports on the status of risk management to the Board during each of its meetings

including the procedures that the Company has adopted to identify and manage risk. Mario Gabelli, the Company's Chairman and CEO, supervises Mr. Farber directly. Internal Audit also is significantly involved in risk management evaluation and designs its internal audit programs to take account of and work in conjunction with Mr. Farber. The Director of Internal Audit reports directly to the Company's Audit Committee.

Relationship of Compensation and Risk

The Compensation Committee of the Board of Directors works with the Chief Executive Officer in reviewing the significant elements of the Company's compensation policies and programs for all staff. They evaluate the intended behaviors each program is designed to incentivize to ensure that such policies and programs are appropriate for the Company.

The Board of Directors and Committees

During 2009, there were four meetings of the Board of Directors. Our Board of Directors has an Audit Committee, a Compensation Committee, a Governance Committee and a Nominating Committee. We are deemed to be a "controlled company" as defined by the corporate governance standards of the New York Stock Exchange by virtue of the fact that GGCP, Inc. holds more than 50% of the voting power. As a result, we are exempt from the corporate governance standards of the New York Stock Exchange requiring that a majority of the Board of Directors be independent and that all members of the Governance, Nominating and Compensation Committees be independent. While the Company is a controlled Company, the Board nevertheless is comprised of a majority of independent directors.

The Board believes that the most effective leadership structure is for the Company's Chief Executive Officer to serve as Chairman given that Mr. Gabelli is the controlling shareholder of the Company. By having Mr. Gabelli serve as the Chief Executive Officer and as Chairman, the Board believes that it enables Mr. Gabelli to ensure that the Board's agenda responds to strategic challenges, that the Board is presented with information required for it to fulfill its responsibilities, and that Board meetings are as productive and effective as possible.

Our non-management directors meet, without any management directors or employees present, immediately after our regular quarterly Board meetings. At least once each year, our independent directors meet in a separate executive session. Mr. Prather serves as lead independent director and chairs the meetings of our non-management and independent directors.

The Audit Committee regularly meets with our independent registered public accounting firm to ensure that satisfactory accounting procedures are being followed and that internal accounting controls are adequate, reviews fees charged by the independent registered public accounting firm and selects our independent registered public accounting firm. Messrs. Avansino, Bready, McGrath and Prather, each of whom is an independent director as defined by the corporate governance standards of the New York Stock Exchange and the Company's guidelines as set forth in Exhibit A, are members of the Audit Committee. The Board has determined that Mr. Prather meets the standards of an "audit committee financial expert," as defined by the applicable securities regulations. The Audit Committee met six times during 2009. A copy of the Audit Committee's charter is posted on our website at www.gabelli.com/corp_gov.html. A shareholder may also obtain a copy of the charter upon request from our Secretary.

As is further described in the Report of the Compensation Committee, this committee reviews the amounts paid to the chief executive officer for compliance with the terms of his employment agreement and generally reviews benefits and compensation for the other executive officers. It also administers our Stock Award and Incentive Plan. Messrs. Bready and Prather, each of whom is an independent director, are the members of the Compensation Committee. The Compensation Committee met four times during 2009. A copy of the Compensation Committee's charter is posted on our web site at www.gabelli.com/corp_gov.html. A shareholder may also obtain a copy of the charter upon request from our Secretary.

The Governance Committee advises the Board on governance policies and procedures. Messrs. Avansino, Bready and McGrath, each of whom is an independent director, are the members of the Governance Committee. The Governance Committee met twice in 2009. A copy of the Governance Committee's charter is posted on our web site at www.gabelli.com/corp_gov.html. A shareholder may also obtain a copy of the charter upon request from our Secretary.

The Nominating Committee advises the Board of Directors on the selection and nomination of individuals to serve as directors of GAMCO. Nominations for director, including nominations for director submitted to the committee by shareholders, are evaluated according to our needs and the nominee's knowledge, experience and background. Mario Gabelli and Elisa Wilson are the members of the Nominating Committee. Neither Mr. Mario Gabelli nor Ms. Wilson are independent directors as defined by the corporate

governance standards of the Company. The Nominating Committee met twice in 2009. A copy of the Nominating Committee’s charter is posted on our web site at www.gabelli.com/corp_gov.html. A shareholder may also obtain a copy of the charter upon request from our Secretary. The Nominating Committee has adopted a policy regarding diversity that says as follows: when identifying nominees as directors, the Committee will have a bias to have diverse representation of candidates who serve or have served as chief executive officers or presidents of public or private corporations or entities that are either for-profit or not-for-profit. In accordance with its charter, the Nominating Committee will review the suitability for continued service as a director of each Board member when his or her term expires and when he or she has a change in status, including but not limited to an employment change, and to recommend whether or not the director should be re-nominated. The Nominating Committee will review annually with the Board the composition of the Board as a whole and recommend, if necessary, measures to be taken.

The Nominating Committee does not have a formal policy by which shareholders may recommend director candidates. The Board of Directors believes it is appropriate not to have such a policy because GGCP, Inc. holds the majority of the voting power. Nevertheless, the Nominating Committee will consider appropriate candidates recommended by shareholders. A shareholder wishing to submit such a recommendation should send a letter to our Secretary at One Corporate Center, Rye, NY 10580 by December 31, 2010. The mailing envelope must contain a clear notation that the enclosed letter is a “Director Nominee Recommendation.” The letter must identify the author as a shareholder and provide a brief summary of the candidate’s qualifications. At a minimum, candidates recommended for election to the Board of Directors must meet the independence standards of the New York Stock Exchange as well as any criteria used by the Nominating Committee.

During 2009, all the directors attended every meeting of the Board and the Board committees of which he or she was a member. We do not have a policy regarding directors’ attendance at our annual meetings. A majority of our directors attended our 2009 Annual Meeting of Shareholders.

Mr. Mario Gabelli receives no compensation for serving as a director of the Company. All non-executive directors other than Mr. Mario Gabelli receive annual cash retainers and meeting fees as follows:

In May 2008, Mr. Avansino was granted options to purchase 6,000 shares of Class A stock at an exercise price of \$51.74. Ms. Wilson, who was elected as a director in February 2009, has not received any options for serving as a director of the Company. She continues to hold options to purchase 7,500 shares of Class A Stock at an exercise price of \$31.62 per share which were granted in February 2001. These options were granted to her in her capacity as a professional staff member.

All of the stock options held by our directors were granted at 100% of fair market value of Class A Stock on the date of grant and have a ten-year term. The options granted to our directors become exercisable with respect to 75% of the shares after three years from the date of grant and with respect to the remaining 25% of the shares after four years from the date of grant. No existing option holders, including directors, were entitled to receive any adjustment to their rights under their option grants as a result of the March 2009 distribution of Teton Advisors, Inc. shares made to the Company’s shareholders.

Communications with the Board of Directors

Our Board of Directors has established a process for shareholders and other interested parties to send communications to the Board of Directors. Shareholders or other interested parties who wish to communicate with the Board of Directors, the non-management or independent directors, or a particular director may send a letter to our Secretary at GAMCO Investors, Inc. One Corporate Center, Rye, NY 10580. The mailing envelope must contain a clear notation indicating that the enclosed letter is a “Board Communication” or “Director Communication.” All such letters must identify the author and clearly state whether the intended recipients are all members of the Board or just certain specified individual directors. The Secretary will make copies of all such letters and circulate them to the appropriate director or directors.

Code of Business Conduct

We have adopted a Code of Business Conduct (the “Code of Conduct”) that applies to all of our officers, directors and staff members with additional requirements for our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. The Code of Conduct is posted on our web site at www.gabelli.com/corp_gov.html. Any shareholder may also obtain a copy of the Code of Conduct upon request. Our Code of Conduct was revised on November 7, 2008. Shareholders may address a written request for a printed copy of the Code of Conduct to our Secretary at GAMCO Investors, Inc., One Corporate Center, Rye, New York 10580-1422. We intend to satisfy the disclosure requirement regarding any amendment to, or a waiver of, a provision of the Code of Conduct by posting such information on our web site.

Transactions with Related Persons

Our Board has adopted written procedures governing the review, approval or ratification of any transactions with related persons required to be reported in this proxy statement. The procedures require that all related party transactions, other than certain pre-

approved categories of transactions, be reviewed and approved by our Governance Committee or the Board of Directors. Under the procedures, directors may not participate in any discussion or approval of related party transactions in which they or a member of their immediate family is a related person, except that they shall provide information concerning the transaction. Only transactions that are found to be in the best interests of the Company will be approved.

Currently, we have a number of policies and procedures addressing conflicts of interest. Our Code of Conduct addresses the responsibilities of our officers, directors and staff to disclose conflicts of interest to our Legal/Compliance Department, which determines whether the matter constitutes a related party transaction that should be reviewed by our Governance Committee or Board of Directors. Generally, matters involving employer-employee relationships including compensation and benefits, ongoing arrangements that existed prior to our initial public offering and financial service relationships including investments in our funds are not presented for review, approval or ratification by our Governance Committee or Board of Directors.

Furthermore, our Certificate of Incorporation provides that no contract, agreement, arrangement or transaction, or any amendment, modification or termination thereof, or any waiver of any right thereunder, (each, a "Transaction") between GAMCO and:

- (i) Mr. Mario Gabelli, any member of his immediate family who is at the time an officer or director of GAMCO and any entity in which one or more of the foregoing beneficially own a controlling interest of the outstanding voting securities or comparable interests (a "Gabelli"),
- (ii) any customer or supplier,
- (iii) any entity in which a director of GAMCO has a financial interest (a "Related Entity"), or
- (iv) one or more of the directors or officers of GAMCO or any Related Entity;

will be voidable solely because any of the persons or entities listed in (i) through (iv) above are parties thereto, if the standard specified below is satisfied.

Further, no Transaction will be voidable solely because any such directors or officers are present at or participate in the meeting of the Board of Directors or committee thereof that authorizes the Transaction or because their votes are counted for such purpose, if the standard specified is satisfied. That standard will be satisfied, and such Gabelli, the Related Entity, and the directors and officers of GAMCO, or the Related Entity (as applicable) will be deemed to have acted reasonably and in good faith (to the extent such standard is applicable to such person's conduct) and fully to have satisfied any duties of loyalty and fiduciary duties they may have to GAMCO and its shareholders with respect to such Transaction if any of the following four requirements are met:

- (i) the material facts as to the relationship or interest and as to the Transaction are disclosed or known to the Board of Directors or the committee thereof that authorizes the Transaction, and the Board of Directors or such committee in good faith approves the Transaction by the affirmative vote of a majority of the disinterested directors on the Board of Directors or such committee, even if the disinterested directors are less than a quorum;
- (ii) the material facts as to the relationship or interest and as to the Transaction are disclosed or known to the holders of Voting Stock entitled to vote thereon, and the Transaction is specifically approved by vote of the holders of a majority of the voting power of the then outstanding Voting Stock not owned by such Gabelli or such Related Entity, voting together as a single class;
- (iii) the Transaction is effected pursuant to guidelines that are in good faith approved by a majority of the disinterested directors on the Board of Directors or the applicable committee thereof or by vote of the holders of a majority of the then outstanding voting Stock not owned by such Gabelli or such Related Entity, voting together as a single class; or
- (iv) the Transaction is fair to GAMCO as of the time it is approved by the Board of Directors, a committee thereof or the shareholders of GAMCO.

The Certificate of Incorporation also provides that any such Transaction authorized, approved, or effected, and each of such guidelines so authorized or approved, as described in (i), (ii) or (iii) above, will be deemed to be entirely fair to GAMCO and its shareholders, except that, if such authorization or approval is not obtained, or such Transaction is not so effected, no presumption will arise that such Transaction or guideline is not fair to GAMCO and its shareholders. In addition, the Certificate of Incorporation provides that a Gabelli will not be liable to GAMCO or its shareholders for breach of any fiduciary duty that a Gabelli may have as a

shareholder of GAMCO by reason of the fact that a Gabelli takes any action in connection with any transaction between such Gabelli and GAMCO. For purposes of these provisions, interests in an entity that are not equity or ownership interests or that constitute less than 10% of the equity or ownership interests of such entity will not be considered to confer a financial interest on any person who beneficially owns such interests.

COMPENSATION OF EXECUTIVE OFFICERS

Compensation Discussion and Analysis

The investment management and securities industries are highly competitive, and experienced professionals have significant career mobility. We believe that the ability to attract, retain and provide appropriate incentives for the highest quality professional personnel is important for maintaining our competitive position in the investment management and securities industries, as well as for providing for the long-term success of GAMCO.

Most of GAMCO's compensation expense is incentive-based variable compensation that will increase or decrease based on the revenues from our assets under management. Since 1977, we have paid out up to 40% of the revenues or net operating contribution to the marketing staff and portfolio managers who introduce, service or generate our separate account and mutual fund business, with payments involving the separate accounts being typically based on revenues, and payments involving the mutual funds being typically based on net operating contribution. We believe that the variable compensation formulas in place for our marketing staff and portfolio managers provide significant incentives for the growth of our business.

Our administrative, operations, legal and finance personnel generally receive the majority of their compensation in the form of base salaries and annual bonuses. We will often defer a portion of the annual bonuses for one to two years as a retention device or for other reasons. We believe that GAMCO must pay competitive levels of cash compensation. We also believe that appropriate equity incentive programs may motivate and retain our professional personnel but that these programs must always be consistent with stockholder interests.

Compensation of Named Executives

The compensation for our named executives (other than for Mr. Mario Gabelli, whose compensation is described separately below under the section entitled "Chief Executive Officer Compensation", and Mr. Farber, whose compensation for 2009 was determined pursuant to his employment agreement and is described below under the section entitled "Employment Agreements") is composed of base salary, annual bonus compensation, equity compensation, incentive-based variable compensation and employee benefits.

• *Base Salary*

Mr. Mario Gabelli recommends to the Compensation Committee the amounts of the base salaries for our named executives, which amounts are subject to the Committee's review and approval. The maximum base salary for our named executives is \$300,000, as it has been since prior to our initial public offering in 1999. The base salaries for Messrs. Jamieson, Van der Eb and Alpert have been set at \$300,000 for 2009, as they were in 2008. The base salary for Ms. Mullady was \$275,000 for 2009. The amounts of base salary for our named executives are recommended by Mr. Mario Gabelli to the Compensation Committee, which amounts are subject to the Committee's review and approval, and are not at the discretion of the named executives. Messrs. Mario Gabelli and Farber receive no base salary.

• *Annual Bonus*

Mr. Mario Gabelli recommends to the Compensation Committee the amounts of the annual bonuses for our named executives, which amounts are subject to the Committee's review and approval. The factors considered by Mr. Mario Gabelli in making annual bonus recommendations are typically subjective, such as perceptions of experience, performance and responsibilities. His recommendations may be but are not specifically tied to the performance of client assets, objectives set for each executive, the firm as a whole or the market value of our stock.

A portion of the annual bonuses for our named executives may be deferred for approximately 15 to 18 months. The terms of the deferrals are recommended by Mr. Mario Gabelli to the Compensation Committee, which terms are subject to the Committee's review and approval, and are not at the discretion of the named executives. The deferrals typically earn a return equal to the greater of the return on our U.S. Treasury money market fund or the return of one of our investment partnerships after payment of the management fee but before payment of any incentive fee. In order to receive the deferred bonus payment, the named executive must be employed by the Company at the time of payment.

- ***Equity Compensation***

Our executive compensation program may also include stock option or restricted stock awards, which are intended to provide additional incentives to increase shareholder value and retain qualified individuals. No stock option awards have been granted to any of the named executives since 2003.

In December 2007, a restricted stock award plan was implemented. No grants were made to the named executives, other than Ms. Mullady, during 2009.

Individual stock option award levels in past years and individual restricted stock award levels in 2009 and in past years were based upon a subjective evaluation of each named executive's overall past and expected future contribution. No formula was used to determine either option awards or restricted stock awards for any individual.

- ***Variable Compensation***

To the extent that they have the proper regulatory registrations, all of our staff, including the named executives, are eligible to receive incentive-based variable compensation for attracting or providing client service to separate accounts, shareholders of the Gabelli or GAMCO Funds or investors in our other products. Mr. Jamieson, who provides client service to a significant number of separate accounts, received the majority of his total 2009 compensation from variable compensation payments, as described below in note (e) to the Summary Compensation Table.

In the course of fulfilling Mr. Mario Gabelli's duties, the Company at times brings on certain individuals to aid him. When this occurs, the Company offsets those costs by a reduction in compensation payable to Mr. Gabelli. In 2009, this amounted to \$6,568,759. Of this amount, \$975,822 was allocated to Mr. Jamieson for his service as President and Chief Operating Officer, and \$3,000,000 was allocated to Mr. Farber for his service as Executive Vice President and Chief Financial Officer.

Because these compensation arrangements with respect to covered employees involve variable incentive-based fees, the \$1 million deductibility limit of Section 162(m) of the Internal Revenue Code is generally not expected to apply to the payments.

Chief Executive Officer Compensation

Mr. Mario Gabelli received no base salary, no bonus, no stock options and no restricted stock awards in 2009, as has been the case for each year since our initial public offering in 1999. All of the compensation paid to Mr. Mario Gabelli in 2009 was incentive-based variable compensation that was paid in accordance with Mr. Mario Gabelli's 2008 Employment Agreement as described under the heading Employment Agreements.

Compensation Consultants

The Company has not retained compensation consultants to assist in determining or recommending the amount or form of executive and director compensation during its last fiscal year.

REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee reviewed and discussed with management the Compensation Discussion and Analysis appearing above. Based on this review and discussion, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis section be included in this proxy statement, which section is also incorporated by reference in GAMCO's Annual Report on Form 10-K.

On February 6, 2008, Mr. Mario Gabelli entered into an amended and restated employment agreement (the “2008 Employment Agreement”) with the Company, which was approved by the Company’s shareholders on November 30, 2007 and which limits his activities outside of the Company. The 2008 Employment Agreement modified Mr. Mario Gabelli’s previous employment agreement primarily by (i) eliminating outdated provisions, clarifying certain language and reflecting our name change; (ii) revising the term of the Employment Agreement from an indefinite term to automatically renewed one-year periods in perpetuity following the initial three-year term unless either party gives 90 days written notice prior to the expiration of the annual term following the initial three-year term; (iii) allowing for services to be performed for former subsidiaries that are spun off to shareholders or otherwise cease to be subsidiaries in similar transactions; (iv) allowing new investors in the permitted outside accounts if all of the performance fees, less expenses, generated by assets attributable to such investors are paid to us; (v) allowing for the management fee to be paid directly to Mr. Mario Gabelli or to an entity designated by him; and (vi) adding certain language to ensure that the 2008 Employment Agreement complies with Section 409A of the Internal Revenue Code.

Mr. Mario Gabelli (or, at his option, his designee) receives an incentive-based management fee in the amount of 10% of our aggregate annual pre-tax profits, if any, as computed for financial reporting purposes in accordance with U.S. generally accepted accounting principles (before consideration of this fee) so long as he is an executive of the Company and devotes the substantial majority of his working time to our business. This incentive-based management fee is subject to the Compensation Committee’s review at least annually for compliance with its terms. The 2008 Employment Agreement may not be amended without the approval of the Compensation Committee.

In accordance with the 2008 Employment Agreement, Mr. Mario Gabelli chose to allocate \$3,975,822, \$1,660,301 and \$1,451,827 of his management fee to certain other professional staff members of the Company in 2009, 2008 and 2007, respectively. Mr. Mario Gabelli received the following incentive-based management fees during the past five years:

	<u>2005</u>	<u>2006</u>	<u>2007</u>	<u>2008</u>	<u>2009</u>
Management Fee (\$ in millions).....	11.4	13.2	13.0	2.4	5.8

Consistent with the Company’s practice since its inception in 1977, Mr. Mario Gabelli will also continue receiving a percentage of revenues or net operating contribution, which are substantially derived from assets under management, as compensation relating to or generated by the following activities: (i) managing or overseeing the management of various investment companies and partnerships, (ii) attracting mutual fund shareholders, (iii) attracting and managing separate accounts, and (iv) otherwise generating revenues for the Company. Such payments are made in a manner and at rates as agreed to from time to time by GAMCO, which rates have been and generally will be the same as those received by other professionals at GAMCO performing similar services. With respect to our institutional and high net worth asset management and mutual fund advisory business, we pay out up to 40% of the revenues or net operating contribution to the portfolio managers and marketing staff who introduce, service or generate such business, with (i) payments involving the separate accounts being typically based on revenues and (ii) payments involving the mutual funds being typically based on net operating contribution.

Mr. Mario Gabelli has agreed that while he is employed by us he will not provide investment management services outside of GAMCO, except for certain permitted accounts.

Jeffrey M. Farber. On July 3, 2008, Mr. Farber entered into an employment agreement (the “Farber Agreement”) with the Company. The term of the Farber Agreement expired on December 31, 2009. Under the Farber Agreement, Mr. Farber’s oversight responsibilities include finance, business development, compliance, legal, information technology, human resources and facilities. The Farber Agreement provided that Mr. Farber received 20% of the incentive-based management fee earned annually by Mr. Gabelli (or any entity designated by Mr. Gabelli) subject to a guaranteed minimum cash amount of \$1,250,000 for 2008 and a guaranteed minimum cash amount of \$3,000,000 in 2009. The Farber Agreement also provided that Mr. Farber, under this allocation, was entitled to receive additional compensation above the \$1,250,000 and \$3,000,000 minimum amounts for 2008 and 2009, respectively, to the extent that the 20% of Mr. Gabelli’s incentive based management fees that were earned in 2008 and 2009 were to have exceeded the respective minimum cash guaranteed amounts for 2008 and 2009. It did not exceed the minimum amounts in either period. In addition, Mr. Farber was also eligible for additional compensation on new accounts or investors he brought in to the Company or on other revenue-generating activities as may apply under the Company’s policies from time to time, on a basis no less favorable than as generally applicable to other senior executives, and to reasonable and customary benefits. Furthermore, pursuant to the Farber Agreement, on July 30, 2008, Mr. Farber was granted an award of 25,000 shares of restricted stock under the Company’s Stock Award and Incentive Plan.

The Farber Agreement also contained certain change-of-control provisions which stated that in the event of a sale by GGCP, Inc. of over one-half of its ownership of the Company’s Class B Common Stock to a third party, Mr. Farber would have been paid an amount representing the capitalization of the incentive-based management fee, calculated based upon Mr. Farber’s applicable percentage share of the incentive-based management fee at the time the proceeds are received.

Upon a change-of-control of the Company, all restricted stock awards (the “RSAs”) held by Mr. Farber (if still employed by the Company at such time) automatically vest, and the accumulated but unpaid dividends associated with these RSAs would become immediately payable. Additionally, upon a termination of Mr. Farber’s employment due to his death or permanent disability, all of his RSAs would automatically vest, and the accumulated but unpaid dividends associated with these RSAs would become immediately payable.

Mr. Farber continues to receive 20% of Mr. Gabelli’s management fee for 2010. In the event of a change of control defined as a sale of GGCP, Inc. of over one-half of its ownership of the Company’s Class B Common Stock to a third party, it is anticipated that the management fee will be monetized. Accordingly, in that situation, Mr. Farber would share pari passu with Mr. Gabelli an amount representing the capitalization of the incentive-based management fee, calculated based upon Mr. Farber’s 20 percentage point share of the incentive-based management fee with Mr. Gabelli receiving the remaining 80%.

(a) Of this amount, none is included in the change in pension value and nonqualified deferred compensation earnings column of the Summary Compensation Table because in no instance were such earnings above market or preferential (defined as being in excess of 120% of the applicable federal long-term rate).

As discussed in the Compensation Discussion and Analysis above, the Company deferred a portion of the annual bonus paid to Messrs. Jamieson and Alpert in 2007. The Company also deferred a portion of the annual bonus paid to Ms. Mullady in 2007; Ms. Mullady earned this bonus prior to her being named an executive officer of the Company. These mandatory deferrals for 2007, included as a portion of the aggregate withdrawals during 2009 in the table above, vested on March 31, 2009 and were paid on April 6, 2009, based on the individuals' continued employment on the date of payment. These deferrals earned a return equal to the greater of (i) the rate of return on the Company's U.S. Treasury money market fund or (ii) the rate of return on one of the Company's investment partnerships after payment of the management fee but before the payment of the performance fee. For the 2007 deferrals, this was (i) for all three named executives.

Potential Payments upon Termination of Employment or Change-of-Control.

Upon a change-of-control of the Company, all restricted stock awards (the "RSAs") held by the named executives (if still employed by the Company at such time) automatically vest, and the accumulated but unpaid dividends associated with these RSAs would become immediately payable. Assuming that a change-of-control of the Company had occurred on December 31, 2009, and assuming a price per share of \$48.29, which was the closing price of Class A Stock on December 31, 2009, the value of Mr. Jamieson's RSAs on such date would have been \$772,640, the value of Mr. Farber's RSAs held on such date would have been \$1,207,250, the value of the RSAs held on such date by Ms. Mullady would have been \$289,740, the value of the RSAs held on such date by Mr. Van der Eb would have been \$241,450 and the value of the RSAs held on such date by Mr. Alpert would have been \$241,450. In addition, the accumulated but unpaid dividends on these shares through December 31, 2009, which would be payable upon a change-of-control on that date, would have been \$66,880 for Mr. Jamieson, \$102,250 for Mr. Farber, \$23,030 for Ms. Mullady, \$20,900 for Mr. Van der Eb and \$20,900 for Mr. Alpert. Additionally, upon a termination of Mr. Farber's employment due to his death or permanent disability, all of his RSAs would automatically vest and the accumulated but unpaid dividends associated with these RSAs would become immediately payable. Upon a termination of Mr. Farber's employment due to his death or disability on December 31, 2009, the value of the RSAs and of the accumulated but unpaid dividends on the RSAs would have been the same as in the assumed change-of-control circumstance (\$1,207,250 and \$102,250, respectively).

No RSA holders, including the named executives, were entitled to receive the distribution of or value for Teton Advisors, Inc. shares that the Company made to its shareholders in March 2009.

Based solely on a review of filings made under Section 16(a) of the Securities Exchange Act of 1934, we believe that our directors and executive officers and our shareholders who own 10% or more of our Class A Stock or Class B Stock have complied with the requirements of Section 16(a) of the Securities Exchange Act of 1934 to report ownership, and transactions which change ownership, on time with the exception of a Form 4 was filed on February 25, 2010 to report the award of 3,000 shares of restricted stock on February 9, 2010 by Agnes Mullady.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

GGCP, Inc. (“GGCP”) owns a majority of our Class B Stock, representing approximately 95% of the combined voting power and 72% of the outstanding shares of our common stock at December 31, 2009. Mario J. Gabelli serves as the Chief Executive Officer, a director and is the controlling shareholder of GGCP. In addition, one of our named executive officers, Douglas R. Jamieson, and one of our directors, Elisa M. Wilson, are shareholders of GGCP.

For 2009, the Company incurred variable costs of \$299,965 for actual usage (but not the fixed costs) relating to our use of aircraft in which GGCP owns the fractional interests.

We lease an approximately 60,000 square foot building located at 401 Theodore Fremd Avenue, Rye, New York as our headquarters (the “Building”) from M4E, LLC, (“M4E”) an entity that is owned by family members of Mario J. Gabelli (“Mario Gabelli” or “Chairman”), including Ms. Wilson. Under the lease for the Building, which expires on December 31, 2023, we are responsible for all operating expenses, costs of electricity and other utilities and taxes. For 2009, the rent was \$1,080,000, or \$18.00 per square foot, and will increase to \$1,088,907, or \$18.15 per square foot, for the period January 1, 2010 through December 31, 2010. As a member of M4E, Ms. Wilson is entitled to receive her pro-rata share of payments received by M4E under the lease.

We sub-lease approximately 3,300 square feet in the Building to LICT Corporation (“LICT”), a company for which Mario Gabelli serves as Chairman and is deemed to be the controlling shareholder in his role as general partner to MJG IV Limited Partnership (“MJG IV”), the majority shareholder of LICT, which also pays rent to us at the rate of \$28 per square foot plus \$3 per square foot for electricity, subject to adjustment for increases in taxes and other operating expenses. The total amount paid in 2009 for rent and other expenses under this lease was \$113,730. Concurrent with the extension of the lease on the Building, the Company and LICT agreed to extend the term of the sub-lease until December 5, 2023 on the same terms and conditions. Mario Gabelli is the general partner of MJG IV, and his children, including Ms. Wilson, are the limited partners of MJG IV. As of July 1, 2008, we also sub-lease approximately 1,600 square feet in the Building to Teton Advisors, Inc. (“Teton”), formerly a 42%-owned subsidiary of the Company whose shares were distributed to the Company’s shareholders on March 20, 2009. Teton pays rent to us at the rate of \$37.75 per square foot plus \$3 per square foot for electricity, subject to adjustment for increases in taxes and other operating expenses. The total amounts paid in 2009 to us for rent and other expenses under this lease were \$66,911.

In 2009, GAMCO entered into a sublease of its office space in Reno, Nevada to CIBL, Inc. (“CIBL”). Mario Gabelli is a director of CIBL and deemed to be the controlling shareholder of CIBL through his role as general partner of MJG IV, the majority shareholder of CIBL. Under the terms of the Reno sublease, the Company granted CIBL the right to use such part of GAMCO’s Reno office as the Company and CIBL shall from time to time agree. The sublease granted CIBL the right to use the Reno office until July 31, 2009 with an automatic renewal for one additional calendar year which extended the sublease until July 31, 2010. For 2009, the rent for the Reno sublease was \$6,000.

In addition to the sub-lease of space in the Building, we entered into a number of agreements in connection with the Company’s distribution of the shares of Class A and B Common Stock in Teton. These agreements are as follows: a Separation and Distribution Agreement, a Transitional Administrative and Management Services Agreement (“Administrative Agreement”) and Service Mark and Name License Agreement (the “License Agreement”). Pursuant to the Administrative Agreement, we provide certain services to Teton including senior executive functions, strategic planning and general corporate management services; mutual fund administration services; treasury services, including insurance and risk management services and administration of benefits; operational and general administrative assistance including office space, office equipment, administrative personnel, payroll, and procurement services as needed; accounting and related financial services, including the services of Mr. Jeffrey Farber to act as Teton’s Chief Financial Officer; legal, regulatory and compliance advice, including the retention of a Chief Compliance Officer; and human resources functions, including sourcing of permanent and temporary employees as needed, recordkeeping, performance reviews and terminations. The License Agreement provides Teton and the funds that it manages the use of certain names and service marks. Pursuant to the Administrative Agreement and the License Agreement, the Company was compensated in 2009 by Teton \$15,000 per month, or \$140,806 for the period from the March 20, 2009 share distribution date to December 31, 2009, plus 20 basis points of the average net assets managed in the Teton funds for providing mutual fund administration services to these funds or \$744,786 during that same post-distribution 2009 period. We sub-lease space in the Building to Teton as discussed above. Gabelli & Company, Inc. (“Gabelli & Company”), the Company’s affiliated broker-dealer, serves as a distributor to the six mutual funds that are managed by Teton. In the same post-distribution 2009 period, the funds managed by Teton paid Gabelli & Company \$1,069,361 in distribution fees, of which \$745,744 was reallocated to other broker dealers by Gabelli & Company. REPORT OF THE AUDIT COMMITTEE

Messrs. Avansino, Bready, McGrath and Prather, each of whom is an independent director, are the members of the Audit Committee. In this report, the term “we” refers to the members of the Audit Committee.

The Board of Directors has adopted a written charter for the Audit Committee. A copy of that charter can be found on our web site at www.gabelli.com/corp_gov.html. Our job is one of oversight as set forth in our charter. The Company’s management is responsible for preparing its financial statements and for maintaining internal controls. The independent registered public accounting firm is responsible for auditing the financial statements and expressing an opinion as to whether those audited financial statements fairly represent the financial position, results of operations and cash flows of the Company in conformity with U.S. generally accepted accounting principles.

We have reviewed and discussed the Company’s audited 2009 financial statements with management and with Deloitte & Touche LLP (“D&T”), the Company’s independent registered public accounting firm.

We have discussed with D&T the matters required by the Statement on Auditing Standards No. 61, as amended (AICPA Professional Standards, Vol. 1, AU section 380), as adopted by the Public Company Accounting Oversight Board (the “PCAOB”) in Rule 3200T.

We have received from D&T the written statements required by the PCAOB regarding the independent accountant’s communications with the audit committee concerning independence and have discussed with the independent accountant the independent accountant’s independence.

Based on the review and discussions referred to above, we have recommended to the Board of Directors that the audited financial statements be included in the Company’s Annual Report on Form 10-K for the year ended December 31, 2009 for filing with the Securities and Exchange Commission.

AUDIT COMMITTEE

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

On March 27, 2009, after a competitive proposal process, the Audit Committee approved the engagement of Deloitte & Touche, LLP (“D&T”) as the Company’s independent registered public accounting firm for the year ending December 31, 2009 changing from Ernst & Young, LLP (“EY”) in that role.

The report of EY regarding the Company’s financial statements for the fiscal years ended December 31, 2008 2007 did not contain any adverse opinion or disclaimer of opinion and was not qualified or modified as to the uncertainty, audit scope or accounting principles. During the fiscal years ended December 31, 2008 and December 31, 2007, respectively, and in the subsequent interim period through March 27, 2009, there were (i) no disagreements between the Company and EY on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of EY, would have caused EY to make reference to the subject matter of the disagreement in their reports on the financial statements for such years, and (ii) no “reportable events” as that term is defined in Item 304(a)(1)(v) of Regulation S-K.

D&T was engaged on March 27, 2009. In deciding to engage D&T, the Audit Committee reviewed auditor independence and existing commercial relationships with D&T and concluded that D&T has no commercial relationship with the Company that would impair its independence. During the fiscal year ended December 31, 2009 and in the subsequent interim period through March 31, 2010, neither the Company nor anyone acting on its behalf has consulted with D&T on any of the matters or events set forth in Item 304(a)(2) of Regulation S-K.

A representative of D&T will be present at the meeting. The representative will have the opportunity to make a statement and respond to appropriate questions from shareholders.

EXHIBIT A

GUIDELINES FOR DIRECTOR INDEPENDENCE

For a director to be deemed "independent," the Board shall affirmatively determine that the director has no material relationship with GAMCO Investors, Inc. (together with its consolidated subsidiaries, "GAMCO") or its affiliates or any member of the senior management of GAMCO or his or her affiliates. This determination shall be disclosed in the proxy statement for each annual meeting of GAMCO's shareholders. In making this determination, the Board shall apply the following standards:

- A director who is an employee, or whose immediate family member is an executive officer, of GAMCO will not be deemed independent until three years after the end of such employment relationship. Employment as an interim Chairman or Chief Executive Officer will not disqualify a director from being considered independent following that employment.
- A director who received, or whose immediate family member received in any twelve month period over the last three years more than \$120,000 in direct compensation from GAMCO will not be deemed independent. In calculating such compensation, the following will be excluded:
 - director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service);
 - compensation received by a director for former service as an interim Chairman or Chief Executive Officer;
 - compensation received by an immediate family member for service as a non-executive officer employee of GAMCO; and
 - dividend or interest income and bona fide and documented reimbursed business expenses.
- A director will not be considered independent if:
 - the director is a current partner or employee of a firm that is GAMCO's internal or external auditor;
 - the director has an immediate family member who is a current partner of GAMCO's internal or external auditor;
 - the director has an immediate family member who is a current employee of GAMCO's internal or external auditor and personally works on GAMCO's audit; or
 - the director or an immediate family member was within in the last three years a partner or employee of GAMCO's internal or external auditor and personally worked on GAMCO's audit within that time.
- A director who is, or whose immediate family member is, employed as an executive officer of another company where any of GAMCO's current executive officers serve on that company's compensation committee will not be deemed independent until three years after the end of such service or the employment relationship.
- A director who is, a general partner or employee, or whose immediate family member is an executive officer or general partner, of an entity that makes payments to, or receives payments from, GAMCO for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1 million or 2% of such other entity's consolidated gross revenues, will not be deemed independent.
- Further to the provision above that applies to goods and services generally, a director who is, or whose immediate family member is, an executive officer, general partner or significant equity holder (i.e., in excess of 10%) of an entity that is a paid provider of professional services to GAMCO, any of its affiliates, any executive officer or any affiliate of an executive officer, if the payments for such services exceed \$120,000 (but do not exceed the greater of \$1 million or 2% of such other entity's consolidated gross revenues) within the preceding twelve-month period may not be deemed independent.
- A director who is, or whose immediate family member is, affiliated with or employed by a tax-exempt entity that receives significant contributions (i.e., more than 2% of the annual contributions received by the entity or more than \$1 million in a single fiscal year, whichever amount is greater) from GAMCO, any of its affiliates, any executive officer or any affiliate of an executive officer within the preceding twelve-month period may not be deemed independent, unless the contribution was approved by the Board and disclosed in GAMCO's proxy statement.

For purposes of these Guidelines, the terms:

- "affiliate" means any consolidated subsidiary of GAMCO and any other company or entity that controls, is controlled by or is under common control with GAMCO, as evidenced by the power to elect a majority of the board of directors or comparable governing body of such entity; and
- "immediate family" means spouse, parents, children, siblings, mothers- and fathers-in-law, sons- and daughters-in-law, brothers- and sisters-in-law and anyone (other than domestic employees) sharing a person's home, but excluding any person who is no longer an immediate family member as a result of legal separation or divorce, or death or incapacitation.

The Board shall undertake an annual review of the independence of all non-employee directors. In advance of the meeting at which this review occurs, each non-employee director shall be asked to provide the Board with full information regarding the director's business and other relationships with GAMCO and its affiliates and with senior management and their affiliates to enable the Board to evaluate the director's independence.

Directors have an affirmative obligation to inform the Board of any material changes in their circumstances or relationships that may impact their designation by the Board as "independent." This obligation includes all business relationships between, on the one hand, directors or members of their immediate family, and, on the other hand, GAMCO and its affiliates or members of senior management and their affiliates, whether or not such business relationships are subject to the approval requirement set forth in the following provision.
