The source of the distribution is net investment income and return of capital. Based on current earnings on a book basis, approximately \$0.009 per share is from net investment income and \$0.061 is a return of capital. This estimate is based on book basis earnings as of the record date.

The final determination of the proportion of capital gains, ordinary income, and non-taxable return of capital, if any, distributed in 2017 will be made after year end. All taxable shareholders will receive written notification regarding the components and tax treatment for all 2017 distributions in early 2018 via Form 1099-DIV.

The Gabelli Utilities Fund is managed by Gabelli Funds, LLC and distributed by G.distributors, LLC, subsidiaries of GAMCO Investors, Inc. (NYSE: GBL).
