**GABELLI GO ANYWHERE TRUST
DECLARES \$0.80 QUARTERLY DIVIDEND FOR ITS
SERIES A CUMULATIVE PREFERRED SHARES**

Rye, NY -- The Board of Trustees of The Gabelli Go Anywhere Trust (NYSE American: GGO) (the "Fund") declared an \$0.80 per share cash distribution payable on September 26, 2017 to Series A preferred shareholders of record on September 19, 2017.

The Series A Preferred Shares trade on the NYSE American under the symbol "GGO.A". Investors should note that the Series A Preferred Shares trade above their liquidation value and this market price is not likely to be sustainable.

The Series A Preferred Shares will pay distributions quarterly ("dividend period") and will have an annual dividend rate of 8.00% or \$3.20 per share in Year 1. This September distribution of \$0.80 per share will be the final quarterly distribution at an annualized rate of 8.00%. Distributions occurring in Year 2 and Year 3 will be paid at an annualized rate of 5.00%. Thereafter, the Board of Trustees will determine a fixed annual distribution rate that will apply for all subsequent dividend periods, which will be 200 basis points over the yield of the ten year U.S. Treasury Note, but in no case will the annual dividend rate be less than 5.00% or greater than 7.00%. The Series A Preferred Shares will be non-callable for five years from the date of issuance (September 2, 2016), unless the redemption is necessary in the judgment of the Fund's Board of Trustees to maintain the Fund's status as a regulated investment company under Subchapter M of the Internal Revenue Code of 1986, and may be put back to the Fund by shareholders during the 30 day period prior to each of the last distribution payment dates in Year 3 and in Year 5.

Short term capital gains, qualified dividend income, and ordinary income, if any, will be allocated on a pro-rata basis to all distributions to preferred shareholders for the year. Based on the accounting records of the Fund currently available, each of the distributions paid to preferred shareholders in 2017 would include approximately 29% from net capital gains and 71% would be deemed a return of capital on a book basis and does not represent information for tax reporting purposes. The estimated components of each distribution are updated and provided to shareholders of record in a notice accompanying the distribution and are available on our

website (www.gabelli.com). The final determination of the sources of all distributions in 2017 will be made after year end and can vary from the quarterly estimates. All shareholders with taxable accounts will receive written notification regarding the components and tax treatment for all 2017 distributions in early 2018 via Form 1099-DIV.

Investors should carefully consider the investment objectives, risks, charges, and expenses of the Fund before investing. More information regarding this and other information about the Fund is available by calling 800-GABELLI (800-422-3554) or visiting www.gabelli.com.
