**GABELLI UTILITY TRUST  
DECLARES \$0.3515625 QUARTERLY DIVIDEND FOR ITS  
5.625% SERIES A CUMULATIVE PREFERRED SHARES**

**Rye, NY** -- The Board of Trustees of The Gabelli Utility Trust (NYSE:GUT) (the "Fund") declared a \$0.3515625 per share cash distribution payable on March 26, 2018 to Series A preferred shareholders of record on March 19, 2018.

The Series A Preferred Shares, which trade on the New York Stock Exchange under the symbol "GUT Pr A", are rated "A1" by Moody's Investors Service and have an annual dividend rate of \$1.40625 per share. The Series A Preferred Shares were issued on July 31, 2003 at \$25.00 per share and pay distributions quarterly. The Series A Preferred Shares are callable at any time, after proper notification is given, at the liquidation value of \$25.00 per share plus accrued dividends.

All or part of the distribution may be treated as long-term capital gain or qualified dividend income (or a combination of both) for individuals, each subject to the maximum federal income tax rate, which is currently 20% in taxable accounts for individuals (or less depending on an individual's tax bracket). In addition, certain U.S. shareholders who are individuals, estates or trusts and whose income exceeds certain thresholds will be required to pay a 3.8% Medicare surcharge on their "net investment income", which includes dividends received from the Fund and capital gains from the sale or other disposition of shares of the Fund.

Long-term capital gains, qualified dividend income, and ordinary income, if any, will be allocated on a pro-rata basis to all distributions to preferred shareholders for the year. Based on the accounting records of the Fund currently available, the current distribution paid to preferred shareholders in 2018 would include approximately 43% from net investment income, 7% from net capital gains and 50% would be deemed a return of capital on a book basis. This does not represent information for tax reporting purposes. The estimated components of each distribution are updated and provided to shareholders of record in a notice accompanying the distribution and are available on our website ([www.gabelli.com](http://www.gabelli.com)). The final determination of the sources of all distributions in 2018 will be made after year end and can vary from the quarterly estimates. All shareholders with taxable accounts will receive written notification regarding the components and tax treatment for all 2018 distributions in early 2019 via Form 1099-DIV.
