**THE GDL FUND  
DECLARES \$0.13 QUARTERLY DIVIDEND FOR ITS  
SERIES E CUMULATIVE TERM PREFERRED SHARES**

**Rye, NY** -- The Board of Trustees of The GDL Fund (NYSE:GDL) (the "Fund") declared a \$0.13 per share cash distribution payable on March 26, 2024 to Series E preferred shareholders of record on March 19, 2024.

The Series E Preferred Shares have an annual dividend rate of \$0.52 per share as of January 19, 2023 (\$0.40 per share prior to January 19, 2023). The Series E Preferred Shares were issued on March 28, 2022 at \$10.00 per share and pay distributions quarterly.

The Series E Preferred has a mandatory redemption date of March 26, 2025, is puttable on March 26, 2024, and is callable on March 26, 2024. Distributions are paid at a 4.00% annual rate through January 18, 2023, a 5.20% annual rate from January 19, 2023 to March 26, 2025, and are scheduled to be paid quarterly beginning on June 26, 2022.

Part of the distribution may be treated as qualified dividend income for individuals, subject to the maximum federal income tax rate for long term capital gains, which is currently 20% in taxable accounts for individuals (or less depending on an individual's tax bracket). In addition, certain U.S. shareholders who are individuals, estates or trusts and whose income exceeds certain thresholds will be required to pay a 3.8% Medicare surcharge on their "net investment income", which includes dividends received from the Fund and capital gains from the sale or other disposition of shares of the Fund.

Short-term capital gains, qualified dividend income, and investment company taxable income, if any, will be allocated on a pro-rata basis to all distributions to preferred shareholders for the year. Based on the accounting records of the Fund currently available, the current distribution paid to preferred shareholders in 2024 would be deemed 100% from net investment income on a book basis. This does not represent information for tax reporting purposes. The estimated components of each distribution are updated and provided to shareholders of record in a notice accompanying the distribution and are available on our website ([www.gabelli.com](http://www.gabelli.com)). The final determination of the sources of all distributions in 2024 will be made after year end and can vary from the quarterly estimates. All individual shareholders with taxable accounts will

receive written notification regarding the components and tax treatment for all 2024 distributions in early 2025 via Form 1099-DIV.
