**GABELLI GLOBAL SMALL AND MID CAP VALUE TRUST  
DECLARES \$0.13 QUARTERLY DIVIDEND FOR ITS  
SERIES B CUMULATIVE PREFERRED SHARES**

**Rye, NY** -- The Board of Trustees of The Gabelli Global Small and Mid Cap Value Trust (NYSE:GGZ) (the "Fund") declared a \$0.13 per share quarterly cash distribution payable on June 26, 2024 to Series B preferred shareholders of record on June 18, 2024.

The Series B Preferred Shares have an annual dividend rate of \$0.52 per share as of May 17, 2023 (\$0.40 per share prior to May 17, 2023). The Series B Preferred Shares were issued on November 1, 2021 at \$10.00 per share and pay distributions quarterly.

All or part of the distribution may be treated as long-term capital gain or qualified dividend income (or a combination of both) for individuals, each subject to the maximum federal income tax rate for long term capital gains, which is currently 20% in taxable accounts for individuals (or less depending on an individual's tax bracket). In addition, certain U.S. shareholders who are individuals, estates or trusts and whose income exceeds certain thresholds will be required to pay a 3.8% Medicare surcharge on their "net investment income", which includes dividends received from the Fund and capital gains from the sale or other disposition of shares of the Fund.

Long-term capital gains, qualified dividend income, and investment company taxable income, if any, will be allocated on a pro-rata basis to all distributions to preferred shareholders for the year. Based on the accounting records of the Fund currently available, each of the distributions paid to preferred shareholders in 2024 would include approximately 12% from net investment income and 88% from net capital gains on a book basis. This does not represent information for tax reporting purposes. The estimated components of each distribution are updated and provided to shareholders of record in a notice accompanying the distribution and are available on our website ([www.gabelli.com](http://www.gabelli.com)). The final determination of the sources of all distributions in 2024 will be made after year end and can vary from the quarterly estimates. All individual shareholders with taxable accounts will receive written notification regarding the components and tax treatment for all 2024 distributions in early 2025 via Form 1099-DIV.
