**GABELLI UTILITY TRUST
DECLARES \$0.3359375 QUARTERLY DIVIDEND FOR ITS
5.375% SERIES C CUMULATIVE PREFERRED SHARES**

Rye, NY -- The Board of Trustees of The Gabelli Utility Trust (NYSE:GUT) (the "Fund") declared a \$0.3359375 per share cash distribution payable on June 26, 2024 to Series C preferred shareholders of record on June 18, 2024.

The Series C Preferred Shares, which trade on the New York Stock Exchange under the symbol "GUT Pr C", are rated "A1" by Moody's Investors Service and have an annual dividend rate of \$1.34375 per share. The Series C Preferred Shares were issued on May 31, 2016 at \$25.00 per share and pay distributions quarterly. The Series C Preferred Shares are callable at any time, after proper notification is given, at the liquidation value of \$25.00 per share plus accrued dividends.

All or part of the distribution may be treated as long-term capital gain or qualified dividend income (or a combination of both) for individuals, each subject to the maximum federal income tax rate for long term capital gains, which is currently 20% in taxable accounts for individuals (or less depending on an individual's tax bracket). In addition, certain U.S. shareholders who are individuals, estates or trusts and whose income exceeds certain thresholds will be required to pay a 3.8% Medicare surcharge on their "net investment income", which includes dividends received from the Fund and capital gains from the sale or other disposition of shares of the Fund.

Long-term capital gains, qualified dividend income, and investment company taxable income, if any, will be allocated on a pro-rata basis to all distributions to preferred shareholders for the year. Based on the accounting records of the Fund currently available, each of the distributions paid to preferred shareholders in 2024 would be deemed 100% from net investment income on a book basis. This does not represent information for tax reporting purposes. The estimated components of each distribution are updated and provided to shareholders of record in a notice accompanying the distribution and are available on our website (www.gabelli.com). The final determination of the sources of all distributions in 2024 will be made after year end and can vary from the quarterly estimates. All individual

shareholders with taxable accounts will receive written notification regarding the components and tax treatment for all 2024 distributions in early 2025 via Form 1099-DIV.

Investors should carefully consider the investment objectives, risks, charges, and expenses of the Fund before investing. More information regarding this and other information about the Fund is available by calling 800-GABELLI (800-422-3554) or visiting www.gabelli.com.

The Gabelli Utility Trust is a diversified, closed-end management investment company with \$296 million in total net assets whose primary investment objective is to seek long-term growth of capital and income by investing primarily in utility companies involved in the generation and distribution of electricity, gas, and water.
