**GABELLI EQUITY TRUST
DECLARES \$0.3125 QUARTERLY DIVIDEND FOR ITS
5.00% SERIES K CUMULATIVE PREFERRED STOCK**

Rye, NY -- The Board of Directors of The Gabelli Equity Trust Inc. (NYSE:GAB) (the "Fund") declared a \$0.3125 per share cash distribution payable on September 26, 2024 to Series K preferred shareholders of record on September 19, 2024.

The Series K Preferred Shares, which trade on the New York Stock Exchange under the symbol "GAB Pr K", are rated "A1" by Moody's Investors Service and have an annual dividend rate of \$1.25 per share. The Series K Preferred Shares were issued on December 16, 2019 at \$25.00 per share and pay distributions quarterly. The Series K Preferred Shares will be callable at any time, following the expiration of the five year call protection on December 16, 2024, after proper notification is given, at the liquidation value of \$25.00 per share plus accrued dividends.

All or part of the distribution may be treated as long-term capital gain or qualified dividend income (or a combination of both) for individuals, each subject to the maximum federal income tax rate for long term capital gains, which is currently 20% in taxable accounts for individuals (or less depending on an individual's tax bracket). In addition, certain U.S. shareholders who are individuals, estates or trusts and whose income exceeds certain thresholds will be required to pay a 3.8% Medicare surcharge on their "net investment income", which includes dividends received from the Fund and capital gains from the sale or other disposition of shares of the Fund.

Long-term capital gains, qualified dividend income, and investment company taxable income, if any, will be allocated on a pro-rata basis to all distributions to preferred shareholders for the year. Based on the accounting records of the Fund currently available, each of the distributions paid to preferred shareholders in 2024 would include approximately 17% from net investment income and 83% from net capital gains on a book basis. This does not represent information for tax reporting purposes. The estimated components of each distribution are updated and provided to shareholders of record in a notice accompanying the distribution and are available on our website (www.gabelli.com). The final determination of the sources of all distributions in 2024 will be made after year end and can vary from the quarterly estimates. All

individual shareholders with taxable accounts will receive written notification regarding the components and tax treatment for all 2024 distributions in early 2025 via Form 1099-DIV.

Investors should carefully consider the investment objectives, risks, charges, and expenses of the Fund before investing. More information regarding this and other information about the Fund is available by calling 800-GABELLI (800-422-3554) or visiting www.gabelli.com.
