Maturity schedule is based on weighted average maturity and is subject to change.

When you sell Fund shares, they may be worth less than what you paid for them. Consequently, you can lose money by investing in the Fund. Investors should carefully consider the investment objectives, risks, charges, and expenses of the Fund before investing. The prospectus, which contains more complete information about these and other matters, should be read carefully before investing. To obtain a prospectus, please call 800-GABELLI or visit www.gabelli.com.

Returns represent past performance and do not guarantee future results. Due to market volatility, current performance may be lower or higher than the performance data quoted. Total return and average annual returns are historical and reflect changes in share price, reinvestment of dividends and capital gains and are net of expenses. Investment return and principal value will fluctuate so, upon redemption, shares may be worth more or less than their original cost. To obtain the most recent month end performance information and a prospectus, please call 800-GABELLI or visit www.qabelli.com.

Investment returns and yield will fluctuate. Income will be subject to federal income tax.

Investment in the Fund is neither guaranteed nor insured by the Federal Deposit Insurance Corporation or any government agency. Although the Fund seeks to preserve the value of your investment at \$1.00 per share, it cannot guarantee it will do so. The Fund's sponsor has no legal obligation to provide financial support to the Fund, and you should not expect that the sponsor will provide financial support to the Fund at any time.

Performance is calculated from inception on October 1, 1992. Performance for periods less than one year is not annualized. The Adviser has waived certain fees. Yields and returns would have been lower if fees had not been waived.

Not FDIC Insured. Not Bank Guaranteed. May Lose Value.
