GAMCO GLOBAL GOLD, NATURAL RESOURCES & INCOME TRUST

ANNUAL MEETING OF SHAREHOLDERS May 11, 2026

PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Trustees (the “Board,” the members of which are referred to as “Trustees”) of GAMCO Global Gold, Natural Resources & Income Trust, a Delaware statutory trust (the “Fund”), for use at the Annual Meeting of Shareholders of the Fund to be held on Monday, May 11, 2026, at 10:30 a.m., ET, at Indian Harbor Yacht Club, 710 Steamboat Road, Greenwich, Connecticut, 06830 (the “Meeting”), and at any adjournments or postponements thereof. A Notice of Internet Availability of Proxy Materials will first be mailed to shareholders on or about April 1, 2026.

In addition to the solicitation of proxies by mail, officers of the Fund, and officers and regular employees of Equiniti Trust Company, LLC (“Equiniti”), the Fund’s transfer agent, and affiliates of Equiniti or other representatives of the Fund may also solicit proxies by telephone, Internet, or in person. In addition, the Fund has retained Morrow Sodali LLC to assist in the solicitation of proxies for an estimated fee of \$1,050 plus reimbursement of expenses. The Fund will pay the costs of the proxy solicitation and the expenses incurred in connection with preparing, printing, and mailing the Notice of Internet Availability of Proxy Materials and/or Proxy Statement and its enclosures. If requested, the Fund will also reimburse brokerage firms and others for their expenses in forwarding solicitation materials to the beneficial owners of its shares.

The Fund’s most recent annual report, including audited financial statements for the fiscal year ended December 31, 2025, is available upon request, without charge, by writing to the Secretary of the Fund, One Corporate Center, Rye, New York 10580-1422, calling the Fund at 800-422-3554, or via the Internet at www.gabelli.com.

If the proxy is properly executed and returned in time to be voted at the Meeting, the shares represented thereby will be voted “FOR” the election of the nominees as Trustees as described in this Proxy Statement, unless instructions to the contrary are marked thereon, and at the discretion of the proxy holders as to the transaction of any other business that may properly come before the Meeting. Any shareholder who has submitted a proxy has the right to revoke it at any time prior to its exercise either by attending the Meeting and voting his or her shares or by submitting a letter of revocation or a later dated proxy to the Fund at the above address prior to the date of the Meeting.

A “quorum” is required in order to transact business at the Meeting. A quorum of shareholders is constituted by the presence or representation by proxy of the holders of one-third of the outstanding shares of the Fund entitled to vote at the Meeting, except that for the election of the Trustee nominee to be elected by holders of preferred shares of the Fund, a quorum is constituted by the presence or representation by proxy of the holders of one-third of the outstanding preferred shares entitled to vote on such matter. In the event a quorum is not present at the Meeting, or in the event that a quorum is present at the Meeting but sufficient votes to approve any of the proposed items are not received, the chairperson of the Meeting may propose one or more adjournments of such Meeting to permit further solicitation of proxies. If a quorum is present, a shareholder vote may be taken on one or more of the proposals in this Proxy Statement prior to such adjournment if sufficient votes have been received for approval and it is otherwise appropriate. If a quorum is present, the persons named as proxies will vote those proxies which they are entitled to vote “FOR” any proposal in favor of such adjournment and will vote those proxies required to be voted “AGAINST” any proposal against any such adjournment. Absent the establishment of a subsequent record date and the giving of notice to the holders of record thereon, the adjourned meeting must take place not more than 130 days after the record date. At such adjourned meeting, any business may be transacted which might have been transacted at the original Meeting. The Fund may postpone or cancel a meeting of shareholders and, if it does, the Fund will make a public announcement of such postponement or cancellation prior to the meeting. The postponed meeting may not be held more than 130 days after the initial record date.

The close of business on March 12, 2026, has been fixed as the record date for the determination of shareholders entitled to notice of and to vote at the Meeting and all adjournments or postponements thereof.

The Fund has two classes of shares of beneficial interest outstanding: common shares, par value \$0.001 per share (“Common Shares”), and 5.00% Series B Cumulative Preferred Shares, par value \$0.001 per share (“Preferred Shares”). The holders of the Common Shares and Preferred Shares are each entitled to one vote on each matter to properly come before the Meeting for each full share held. See “Additional Information—Delaware Statutory Trust Act—Control Share Acquisitions” for a discussion of the ability of holders of Common Shares and Preferred Shares that are “control shares” to vote such shares. On the record date, there were 156,224,761 Common Shares and 3,081,976 Preferred Shares outstanding.

PROPOSAL: TO ELECT FOUR (4) TRUSTEES OF THE FUND

Nominees for the Board of Trustees

The Board consists of eleven Trustees, ten of whom are not “interested persons” of the Fund (as defined in the Investment Company Act of 1940, as amended (the “1940 Act”). The Fund divides the Board into three classes, each class having a term of three years. Each year the term of office of one class will expire. Elizabeth C. Bogan, Frank J. Fahrenkopf, Jr., Salvatore J. Zizza, and Anthony S. Colavita have each been nominated by the Board for election to serve for a three year term to expire at the Fund’s 2029 Annual Meeting of Shareholders or until their successors are duly elected and qualified. Each of the Trustees of the Fund has served in that capacity since the February 14, 2005 organizational meeting of the Fund with the exceptions of Salvatore M. Salibello, who became a Trustee of the Fund on November 16, 2005, Anthony S. Colavita, who became a Trustee of the Fund on May 16, 2018, and Calgary Avansino, Agnes Mullady, and Elizabeth C. Bogan, who became Trustees of the Fund on March 25, 2021. All of the Trustees of the Fund are also directors or trustees of other investment companies for which Gabelli Funds, LLC (the “Adviser”) or its affiliates serve as investment adviser. The classes of Trustees are indicated below:

Frank J. Fahrenkopf, Jr.

Salvatore M. Salibello
Anthonie C. van Ekris

Under the Fund’s Third Amended and Restated Agreement and Declaration of Trust, as supplemented by the Statement of Preferences of Series B Cumulative Preferred Shares (the “Declaration of Trust”), and the 1940 Act, holders of the Fund’s outstanding Preferred Shares, voting as a separate class, are entitled to elect two Trustees, and holders of the Fund’s outstanding Common Shares and Preferred Shares, voting together as a single class, are entitled to elect the remaining Trustees. The holders of the Fund’s outstanding Preferred Shares would be entitled to elect the minimum number of additional Trustees that would represent a majority of the Trustees in the event that dividends on the Fund’s Preferred Shares become in arrears for two full years and until all arrearages are eliminated. No dividend arrearages exist as of the date of this Proxy Statement. Messrs. Colavita and Conn are currently the Trustees elected solely by the holders of the Fund’s Preferred Shares. Mr. Conn’s term as Trustee is scheduled to expire at the Fund’s 2027 Annual Meeting of Shareholders. Therefore, he is not standing for election at this Meeting. A quorum of the Preferred Shareholders must be present or represented by proxy at the Meeting in order for the proposal to elect Mr. Colavita to be considered.

Unless instructions are provided to the contrary, it is the intention of the persons named in the proxy to vote the proxy “FOR” the election of the nominees named above. Each nominee has indicated that he or she has consented to serve as a Trustee if elected at the Meeting. If, however, a designated nominee declines or otherwise becomes unavailable for election, the proxy confers discretionary power on the persons named therein to vote in favor of a substitute nominee or nominees. Each nominee is qualified to serve as a Trustee under the Fund’s governing documents.

Trustees – Leadership Structure and Oversight Responsibilities

Overall responsibility for general oversight of the Fund rests with the Board. The Board does not have a Chairman. The Board has appointed Mr. Conn as the Lead Independent Trustee. The Lead Independent Trustee presides over executive sessions of the Trustees and also serves between meetings of the Board as a liaison with service providers, officers, counsel, and other Trustees on a wide variety of matters including scheduling agenda items for Board meetings. Designation as such does not impose on the Lead Independent Trustee any obligations or standards greater than or different from other Trustees. The Board has established a Nominating Committee and an Audit Committee to assist the Board in the oversight of the management and affairs of the Fund. The Board also has an *ad hoc* Proxy Voting Committee that exercises beneficial ownership responsibilities on behalf of the Fund in selected situations. From time to time, the Board establishes additional committees or informal working groups, such as an *ad hoc* Pricing Committee related to securities offerings by the Fund to address specific matters, or assigns one of its members to work with Trustees or directors of other funds in the Fund Complex on special committees or working groups that address fund complex-wide matters, such as the multi-fund *ad hoc* Compensation Committee relating to the compensation of the Chief Compliance Officer for all the funds in the Fund Complex, and a separate multi-fund *ad hoc* Compensation Committee relating to the compensation of certain other officers of the closed-end funds in the Fund Complex.

All of the Fund's Trustees, other than Ms. Mullady, are Independent Trustees, and the Board believes it is able to provide effective oversight of the Fund's service providers. In addition to providing feedback and direction during Board meetings, the Independent Trustees meet regularly in executive session and chair all committees of the Board.

The Fund's operations entail a variety of risks, including investment, administration, valuation, and a range of compliance matters. Although the Adviser, the sub-administrator, and the officers of the Fund are responsible for managing these risks on a day-to-day basis within the framework of their established risk management functions, the Board also addresses risk management of the Fund through its meetings and those of the committees and working groups. As part of its general oversight, the Board reviews with the Adviser at Board meetings the levels and types of risks, including options risk, being undertaken by the Fund, and the Audit Committee discusses the Fund's risk management and controls with the independent registered public accounting firm engaged by the Fund. The Board reviews valuation policies and procedures and the valuations of specific illiquid securities. The Board also receives periodic reports from the Fund's Chief Compliance Officer regarding compliance matters relating to the Fund and its major service providers, including results of the implementation and testing of the Fund's and such providers' compliance programs. The Board's oversight function is facilitated by management reporting processes designed to provide visibility to the Board regarding the identification, assessment, and management of critical risks, and the controls and policies and procedures used to mitigate those risks. The Board reviews its role in supervising the Fund's risk management from time to time and may make changes at its discretion at any time.

The Board has determined that its leadership structure is appropriate for the Fund because it enables the Board to exercise informed and independent judgment over matters under its purview, allocates responsibility among committees in a manner that fosters effective oversight, and allows the Board to devote appropriate resources to specific issues in a flexible manner as they arise. The Board periodically reviews its leadership structure as well as its overall structure, composition, and functioning, and may make changes at its discretion at any time.

The Fund pays each Independent Trustee and certain Interested Trustees an annual retainer of \$15,000 plus \$2,000 for each Board meeting attended. Each Trustee who is not employed by the Adviser is reimbursed by the Fund for any out-of-pocket expenses incurred in attending meetings. All Board committee members receive \$1,000 per meeting attended, the Audit Committee Chairman receives an annual fee of \$3,000, and the Nominating Committee Chairman and the Lead Independent Trustee each receive an annual fee of \$2,000. A Trustee may receive a single meeting fee, allocated among the participating funds, for participation in certain meetings on behalf of multiple funds. The aggregate remuneration (excluding out-of-pocket expenses) paid by the Fund to such Trustees during the fiscal year ended December 31, 2025 amounted to \$268,000. During the fiscal year ended December 31, 2025, the Trustees of the Fund met four times, all of which were regular quarterly Board meetings. Each Trustee then serving in such capacity attended at least 75% of the Board meetings and of any committee of which he or she is a member.

The Audit Committee and Audit Committee Report

The role of the Fund's Audit Committee is to assist the Board of Trustees in its oversight of: (i) the quality and integrity of the Fund's financial statement reporting process and the independent audit and reviews thereof; (ii) the Fund's accounting and financial reporting policies and practices, its internal controls, and, as appropriate, the internal controls of certain of its service providers; (iii) the Fund's compliance with legal and regulatory requirements; and (iv) the independent registered public accounting firm's qualifications, independence, and performance. The Audit Committee also is required to prepare an audit committee report pursuant to the rules of the SEC for inclusion in the Fund's annual proxy statement. The Audit Committee operates pursuant to the Audit Committee Charter (the "Audit Charter") that was most recently reviewed and approved by the Board of Trustees on February 11, 2026. The Audit Charter is available in the Closed-End Funds – Corporate Governance Section on the Fund's website at www.gabelli.com/funds/closed-end-funds/corporate-governance/.

Pursuant to the Audit Charter, the Audit Committee is responsible for conferring with the Fund's independent registered public accounting firm, reviewing annual financial statements, approving the selection of the Fund's independent registered public accounting firm, and overseeing the Fund's internal controls. The Audit Charter also contains provisions relating to the pre-approval by the Audit Committee of audit and non-audit services to be provided by PricewaterhouseCoopers LLP ("PricewaterhouseCoopers"), the Fund's independent registered public accounting firm for the fiscal year ended December 31, 2025, to the Fund and to the Adviser and certain of its affiliates. The Audit Committee advises the full Board with respect to accounting, auditing, and financial matters affecting the Fund. As set forth in the Audit Charter, management is responsible for maintaining appropriate systems for accounting and internal control, and the Fund's independent registered public accounting firm is responsible for planning and carrying out proper audits and reviews. The independent registered public accounting firm is ultimately accountable to the Board of Trustees and to the Audit Committee, as representatives of shareholders. The independent registered public accounting firm for the Fund reports directly to the Audit Committee.

In performing its oversight function, at a meeting held on February 5, 2026, the Audit Committee reviewed and discussed with management of the Fund and PricewaterhouseCoopers the audited financial statements of the Fund as of and for the fiscal year ended December 31, 2025, and the conduct of the audit of such financial statements.

In addition, the Audit Committee discussed with PricewaterhouseCoopers the accounting principles applied by the Fund and such other matters brought to the attention of the Audit Committee by PricewaterhouseCoopers as required by PCAOB auditing standards and rules. The Audit Committee also received from PricewaterhouseCoopers the written disclosures and statements required by the SEC's independence rules, delineating relationships between PricewaterhouseCoopers and the Fund, and discussed the impact that any such relationships might have on the objectivity and independence of PricewaterhouseCoopers as the independent registered public accounting firm.

As set forth above, and as more fully set forth in the Audit Charter, the Audit Committee has significant duties and powers in its oversight role with respect to the Fund's financial reporting procedures, internal control systems, and the independent audit process.

The members of the Audit Committee are not, and do not represent themselves to be, professionally engaged in the practice of auditing or accounting and are not employed by the Fund for accounting, financial management, or internal control purposes. Moreover, the Audit Committee relies on and makes no independent verification of the facts presented to it or representations made by management or the Fund's independent registered public accounting firm. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and/or financial reporting principles and policies, or internal controls and procedures, designed to

assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not provide assurance that the audit of the Fund's financial statements has been carried out in accordance with the standards of the PCAOB or that the financial statements are presented in accordance with U.S. generally accepted accounting principles.

Based on its consideration of the audited financial statements and the discussions referred to above with management and PricewaterhouseCoopers, and subject to the limitations on the responsibilities and role of the Audit Committee set forth in the Audit Charter and those discussed above, the Audit Committee recommended to the Fund's Board of Trustees that the Fund's audited financial statements be included in the Fund's Annual Report for the fiscal year ended December 31, 2025.

Submitted by the Audit Committee of the Fund's Board of Trustees

Vincent D. Enright, Chairman

Frank J. Fahrenkopf, Jr.

Salvatore J. Zizza

February 5, 2026

The Audit Committee met two times during the fiscal year ended December 31, 2025. The Audit Committee is composed of three of the Fund's Independent Trustees, Messrs. Enright (Chairman), Fahrenkopf, and Zizza. The Fund has certified that each member of the Audit Committee is able to read and understand fundamental financial statements, including those of the Fund. Mr. Enright has been designated as the Fund's audit committee financial expert, as defined in Items 407(d)(5)(ii) and (iii) of Regulation S-K (the "Audit Committee Financial Expert").

Nominating Committee

The Board of Trustees has a Nominating Committee composed of three of the Fund's Independent Trustees, Messrs. Colavita (Chairman), Melarkey, and Zizza. Each Nominating Committee member is an Independent Trustee as determined under guidelines of the NYSE American LLC (the "NYSE American"). The Nominating Committee met once during the fiscal year ended December 31, 2025. The Nominating Committee is responsible for identifying and recommending qualified candidates to the Board in the event that a position is vacated or created. In considering candidates submitted by shareholders, the Nominating Committee will take into consideration the needs of the Board, the qualifications of the candidate, and the interests of shareholders. The Nominating Committee may also take into consideration the number of shares held by the recommending shareholder and the length of time that such shares have been held. To recommend a candidate for consideration by the Nominating Committee, a shareholder must submit the recommendation in writing and must include the following information in addition to any information required by the Fund's By-Laws:

- The name of the shareholder and evidence of the shareholder's ownership of shares of the Fund, including the number of shares owned and the length of time of ownership;
- The name of the candidate, the candidate's resume or a listing of his or her qualifications to be a Trustee of the Fund, and the person's consent to be named as a Trustee if selected by the Nominating Committee and nominated by the Board of Trustees; and
- If requested by the Nominating Committee, a completed and signed trustee's questionnaire.

In addition, the Nominating Committee may request any additional information it deems necessary, relevant or desirable to discharge its responsibility to review the qualifications, skills, qualities, and other relevant factors of any trustee nominee recommended by a shareholder, and shareholders recommending a trustee candidate for nomination by the Nominating Committee are encouraged to provide all other information that would be required to be submitted under the Fund's Declaration of Trust and By-Laws in the event such shareholders were nominating such trustee candidate for election on their own.

The shareholder recommendation and information described above must be sent to the Fund's Secretary, c/o Gabelli Funds, LLC, One Corporate Center, Rye, NY 10580-1422, and must be received by the Secretary not less than 120 days prior to the anniversary date of the Fund's most recent annual meeting of shareholders or, if the meeting has moved by more than 30 days, a reasonable amount of time before the meeting.

The Nominating Committee believes that the minimum qualifications for serving as a Trustee of the Fund are that the individual demonstrate, by significant accomplishment in his or her field, an ability to make a meaningful contribution to the Board of Trustees' oversight of the business and affairs of the Fund and have an impeccable record and reputation for honest and ethical conduct in both his or her professional and personal activities. In addition, the Nominating Committee examines a candidate's specific experiences and skills, time availability in light of other commitments, potential conflicts of interest, and independence from management and the Fund. The Fund has adopted specific Trustee qualification requirements that can be found in the Fund's governing documents and are applicable to all individuals who may be nominated, elected, appointed, qualified or seated to serve as Trustees. The qualification requirements include: (i) age limits (at least 21 years of age and such maximum age as the Trustees may in the future determine); (ii) prohibitions regarding any legal disability; (iii) limits on service on other boards; (iv) restrictions on relationships with investment advisers other than the Fund's adviser; and (v) character and fitness requirements. Additionally, each Independent Trustee must not be an "interested person" of the Fund as defined under Section 2(a)(19) of the 1940 Act and may not be or have certain relationships with a shareholder beneficially owning five percent or more of the Fund's outstanding shares or specified levels of interest in registered investment companies. The Fund's By-Laws also provide that a majority of the Trustees then in office may determine by resolution that a failure to satisfy a particular qualification requirement will not present undue conflicts or impede the ability of the candidate to discharge the duties of a Trustee or the free flow of information among Trustees or between the Fund's adviser and the Board. Reference is made to the Fund's governing documents for more details.

The Nominating Committee also considers the overall composition of the Board, bearing in mind the benefits that may be derived from having members who have a variety of experiences, qualifications, attributes, or skills useful in overseeing a publicly traded, highly regulated entity such as the Fund. The Nominating Committee does not have a formal policy regarding the consideration of diversity in identifying trustee candidates. For a discussion of experiences, qualifications, attributes, or skills supporting the appropriateness of each Trustee's service on the Fund's Board, see the biographical information of the Trustees above in the section entitled "Information about Trustees and Officers."

The Board of Trustees adopted a Nominating Committee Charter on February 14, 2005. The charter is available in the Closed-End Funds – Corporate Governance Section on the Fund's website at www.gabelli.com/funds/closed-end-funds/corporate-governance/.

Other Board Related Matters

The Board of Trustees has established the following procedures in order to facilitate communications among the Board and the shareholders of the Fund and other interested parties.

Receipt of Communications

Shareholders and other interested parties may contact the Board or any member of the Board by mail or electronically. To communicate with the Board or any member of the Board, correspondence should be addressed to the Board or the Board member(s) with whom you wish to communicate either by name or title. All such correspondence should be sent to GAMCO Global Gold, Natural Resources & Income Trust, c/o Gabelli Funds, LLC, One Corporate Center, Rye, NY 10580-1422. Shareholders wishing to communicate electronically with the Board of Directors may do so by sending an email to closedend@gabelli.com

Forwarding the Communications

All communications received will be opened by the office of the General Counsel of the Adviser for the sole purpose of determining whether the contents represent a message to one or more Trustees. The office of the General Counsel will forward promptly to the addressee(s) any contents that relate to the Fund and that are not in the nature of advertising, promotions of a product or service, or patently offensive or otherwise objectionable material. In the case of communications to the Board of Trustees or any committee or group of members of the Board, the General Counsel's office will make sufficient copies of the contents to send to each Trustee who is a member of the group or committee to which the envelope or e-mail is addressed.

The Fund does not expect Trustees or nominees for election as Trustee to attend the Meeting. No Trustee or nominee for election as Trustee attended the Fund's annual meeting of shareholders held on May 12, 2025.

The following table sets forth certain information regarding the compensation of the Trustees by the Fund and officers, if any, who were compensated by the Fund rather than the Adviser, for the fiscal year ended December 31, 2025.

The number in parentheses represents the number of such investment companies and portfolios.

Required Vote

The election of each of the listed nominees for Trustee of the Fund requires the affirmative vote of the holders of a plurality of the applicable class or classes of shares of the Fund present or represented by proxy at the Meeting, provided a quorum is present. A “plurality” vote means that the nominees who receive the largest number of votes cast (even if they receive less than a majority) will be elected as trustees. Since the nominees are running unopposed, each nominee only needs one vote to be elected if there is a quorum present at the Meeting.

THE BOARD OF TRUSTEES, INCLUDING THE INDEPENDENT TRUSTEES, UNANIMOUSLY RECOMMENDS THAT THE SHAREHOLDERS VOTE “FOR” THE ELECTION OF EACH APPLICABLE NOMINEE.

ADDITIONAL INFORMATION

Independent Registered Public Accounting Firm

PricewaterhouseCoopers, 300 Madison Avenue, New York, NY 10017, has been selected to serve as the Fund’s independent registered public accounting firm for the fiscal year ending December 31, 2026. PricewaterhouseCoopers acted as the Fund’s independent registered public accounting firm for the fiscal year ended December 31, 2025. The Fund knows of no direct financial or material indirect financial interest of PricewaterhouseCoopers in the Fund. A representative of PricewaterhouseCoopers will not be present at the Meeting, but will be available by telephone and will have an opportunity to make a statement, if asked, and will be available to respond to appropriate questions.

Set forth in the table below are audit fees and non-audit related fees billed to the Fund by PricewaterhouseCoopers for professional services received during and for the Fund’s fiscal years ended December 31, 2024 and 2025, respectively.

<u>Fiscal Year Ended December 31</u>	<u>Audit Fees</u>	<u>Audit Related Fees</u>	<u>Tax Fees*</u>	<u>All Other Fees</u>
2024	\$66,642	\$5,000	\$6,200	—
2025	\$67,975	—	\$6,325	—

* “Tax Fees” are those fees billed by PricewaterhouseCoopers in connection with tax compliance services, including primarily the review of the Fund’s income tax returns.

The Fund’s Audit Charter requires that the Audit Committee pre-approve all audit and non-audit services to be provided by the independent registered public accounting firm to the Fund, and all non-audit services to be provided by the independent registered public accounting firm to the Fund’s Adviser and service providers controlling, controlled by, or under common control with the Fund’s Adviser (“affiliates”) that provide ongoing services to the Fund (a “Covered Services Provider”), if the engagement relates directly to the operations and financial reporting of the Fund. The Audit Committee may delegate its responsibility to pre-approve any such audit and permissible non-audit services to the Chairman of the Audit Committee, and the Chairman must report his or her decision(s) to the Audit Committee at its next regularly scheduled meeting after the Chairman’s pre-approval of such services. The Audit Committee may also establish detailed pre-approval policies and procedures for pre-approval of such services in accordance with applicable laws, including the delegation of some or all of the Audit Committee’s pre-approval responsibilities to other persons (other than the Adviser or the Fund’s officers). Pre-approval by the Audit Committee of any permissible non-audit services is not required so long as: (i) the aggregate amount of all such permissible non-audit services provided to the Fund, the Adviser, and any Covered Services Provider constitutes not more than 5% of the total amount of revenues paid by the Fund to its independent registered public accounting firm during the year in which the permissible non-audit services are provided; (ii) the permissible non-audit services were not recognized by the Fund at the time of the engagement to be non-audit services; and (iii) such services are promptly brought to the attention of the Audit Committee and approved by the Audit Committee or the Chairman prior to the completion of the audit. All of the audit, audit related, and tax services described above for which PricewaterhouseCoopers billed the Fund fees for the fiscal years ended December 31, 2024 and December 31, 2025, were pre-approved by the Audit Committee.

For the fiscal years ended December 31, 2024 and 2025, PricewaterhouseCoopers has represented to the Fund that it did not provide any non-audit services (or bill any fees for such services) to the Adviser or any Covered Services Provider.

The Audit Committee was not required to consider whether the provision of non-audit services that were rendered to the Adviser or Covered Service Providers that were not pre-approved was compatible with maintaining PricewaterhouseCoopers' independence.

The Investment Adviser, Administrator, and Principal Underwriter

Gabelli Funds, LLC is the Fund's Adviser and Administrator and its business address is One Corporate Center, Rye, New York 10580-1422.

Delinquent Section 16(a) Reports

Section 16(a) of the 1934 Act and Section 30(h) of the 1940 Act, and the rules thereunder, require the Fund's executive officers and Trustees, executive officers and directors of the Adviser, certain other affiliated persons of the Adviser, and persons who own more than 10% of a registered class of the Fund's securities to file reports of ownership and changes in ownership with the SEC and the NYSE American and to furnish the Fund with copies of all Section 16(a) forms they file. Based solely on the Fund's review of Forms 3 and 4 and amendments thereto filed electronically with the SEC during the fiscal year ended December 31, 2025, the Fund believes that during that year such persons complied with all such applicable filing requirements.

Broker Non-Votes and Abstentions

For purposes of determining the presence of a quorum for transacting business at the Meeting, abstentions (or "withheld votes" with respect to the election of Trustees) and broker "non-votes" (that is, proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owner or other persons entitled to vote shares on a particular matter with respect to which the brokers or nominees do not have discretionary power) will be treated as shares that are present but that have not been voted. Accordingly, shareholders are urged to forward their voting instructions promptly.

Because the Fund requires a plurality of votes to elect each nominee for Trustee, abstentions, and broker non-votes, if any, will not be counted as votes cast, but will have no effect on the result of the vote. Abstentions and any broker non-votes, however, will be considered to be present at the Meeting for purposes of determining the existence of a quorum.

Brokers holding shares of the Fund in "street name" for the benefit of their customers and clients will request the instructions of such customers and clients on how to vote their shares on Proposal 1 before the Meeting. Under the rules of the NYSE American, such brokers may, for certain "routine" matters, grant discretionary authority to the proxies designated by the Board to vote if no instructions have been received from their customers and clients prior to the date specified in the brokers' request for voting instructions. Proposal 1 is a "routine" matter and, accordingly, beneficial owners who do not provide proxy instructions or who do not return a proxy card may have their shares voted by broker-dealer firms in favor of Proposal 1. A properly executed proxy card or other authorization by a beneficial owner of shares that does not specify how the beneficial owner's shares should be voted on Proposal 1 may be deemed an instruction to vote such shares in favor of the proposal. Brokers who are not members of the NYSE American may be subject to other rules, which may or may not permit them to vote your shares without instruction. We urge you to provide instructions to your broker so that your vote may be counted.

Shareholders of the Fund will be informed of the voting results of the Meeting in the Fund's Semiannual Report for the six months ended June 30, 2026.

"Householding"

Please note that only one document (i.e., an annual or semiannual report or set of proxy soliciting materials) may be delivered to two or more shareholders of the Fund who share an address, unless the Fund has received instructions to the contrary. To request a separate copy of a document, or for instructions regarding how to request a separate copy of these documents or regarding how to request a single copy if multiple copies of these documents are received, shareholders should contact the Fund at the address and phone number set forth above.

Delaware Statutory Trust Act – Control Share Acquisitions

The Fund is organized as a Delaware statutory trust and thus is subject to the control share acquisition statute contained in Subchapter III of the Delaware Statutory Trust Act (the "DSTA Control Share Statute"). The DSTA Control

Share Statute applies to any closed-end investment company organized as a Delaware statutory trust and listed on a national securities exchange, such as the Fund. The DSTA Control Share Statute became automatically applicable to the Fund on August 1, 2022.

The DSTA Control Share Statute defines “control beneficial interests” (referred to as “control shares” herein) by reference to a series of voting power thresholds and provides that a holder of control shares acquired in a control share acquisition has no voting rights under the Delaware Statutory Trust Act (“DSTA”) or the Fund’s Governing Documents (as used herein, “Governing Documents” means the Fund’s Declaration of Trust and By-Laws, together with any amendments or supplements thereto) with respect to the control shares acquired in the control share acquisition, except to the extent approved by the Fund’s shareholders by the affirmative vote of two-thirds of all the votes entitled to be cast on the matter, excluding all interested shares (generally, shares held by the acquiring person and their associates and shares held by Fund insiders).

The DSTA Control Share Statute provides for a series of voting power thresholds above which shares are considered control shares. Whether one of these thresholds of voting power is met is determined by aggregating the holdings of the acquiring person as well as those of his, her or its “associates.” These thresholds are:

- 10% or more, but less than 15% of all voting power;
- 15% or more, but less than 20% of all voting power;
- 20% or more, but less than 25% of all voting power;
- 25% or more, but less than 30% of all voting power;
- 30% or more, but less than a majority of all voting power; or
- a majority or more of all voting power.

Under the DSTA Control Share Statute, once a threshold is reached, an acquirer has no voting rights with respect to shares in excess of that threshold (i.e., the “control shares”) until approved by a vote of shareholders, as described above, or otherwise exempted by the Fund’s Board of Trustees. The DSTA Control Share Statute contains a statutory process for an acquiring person to request a shareholder meeting for the purpose of considering the voting rights to be accorded control shares. An acquiring person must repeat this process at each threshold level. The DSTA Control Share Statute effectively allows non-interested shareholders to evaluate the intentions and plans of an acquiring person above each threshold level.

Under the DSTA Control Share Statute, an acquiring person’s “associates” are broadly defined to include, among others, relatives of the acquiring person, anyone in a control relationship with the acquiring person, any investment fund or other collective investment vehicle that has the same investment adviser as the acquiring person, any investment adviser of an acquiring person that is an investment fund or other collective investment vehicle and any other person acting or intending to act jointly or in concert with the acquiring person.

Voting power under the DSTA Control Share Statute is the power (whether such power is direct or indirect or through any contract, arrangement, understanding, relationship, or otherwise) to directly or indirectly exercise or direct the exercise of the voting power of shares of the Fund in the election of the Fund’s Trustees (either generally or with respect to any subset, series or class of trustees, including any Trustees elected solely by a particular series or class of shares, such as the preferred shares). Thus, Fund preferred shares, including the Series B Preferred Shares, acquired in excess of the above thresholds would be considered control shares with respect to the preferred share class vote for two Trustees.

Any control shares of the Fund acquired before August 1, 2022, are not subject to the DSTA Control Share Statute; however, any further acquisitions on or after August 1, 2022, are considered control shares subject to the DSTA Control Share Statute.

The DSTA Control Share Statute requires shareholders to disclose to the Fund any control share acquisition within 10 days of such acquisition, and also permits the Fund to require a shareholder or an associate of such person to disclose the number of shares owned or with respect to which such person or an associate thereof can directly or indirectly exercise voting power. Further, the DSTA Control Share Statute requires a shareholder or an associate of such person to provide to the Fund within 10 days of receiving a request therefor from the Fund any information that the Fund’s Trustees reasonably believe is necessary or desirable to determine whether a control share acquisition has occurred.

The DSTA Control Share Statute permits the Fund’s Board of Trustees, through a provision in the Fund’s Governing Documents or by Board action alone, to eliminate the application of the DSTA Control Share Statute to the acquisition of control shares in the Fund specifically, generally, or generally by types, as to specifically identified or unidentified existing or future beneficial owners or their affiliates or associates or as to any series or classes of shares. The DSTA Control Share Statute does not provide that the Fund can generally “opt out” of the application of the DSTA Control Share Statute; rather, specific acquisitions or classes of acquisitions may be exempted by the Fund’s Board of Trustees, either in advance or retroactively, but other aspects of the DSTA Control Share Statute, which are summarized above, would continue to apply. The DSTA Control Share Statute further provides that the Board of Trustees is under no obligation to grant any such exemptions.

The Board of Trustees has considered the DSTA Control Share Statute. The Board of Trustees has adopted resolutions exempting from the application of the DSTA Control Share Statute acquisitions of preferred shares of beneficial interest of the Fund directly from the Fund or the Fund’s distributor, underwriter, placement agent or selling agent, as applicable. As of the date hereof, the Board of Trustees has not received notice of the occurrence of any other control share acquisition nor has been requested to exempt any other acquisition. Therefore, the Board of Trustees has not determined whether the application of the DSTA Control Share Statute to any other acquisition of Fund shares is in the best interest of the Fund and its shareholders and has not exempted, and has no present intention to exempt, any other acquisition or class of acquisitions.

If the Board of Trustees receives a notice of a control share acquisition and/or a request to exempt any acquisition, it will consider whether the application of the DSTA Control Share Statute or the granting of such an exemption would be in the best interest of the Fund and its shareholders. The Fund should not be viewed as a vehicle for trading purposes. It is designed primarily for risk-tolerant long-term investors.

The foregoing is only a summary of the material terms of the DSTA Control Share Statute. Shareholders should consult their own counsel with respect to the application of the DSTA Control Share Statute to any particular circumstance. Some uncertainty around the general application under the 1940 Act of state control share statutes exists as a result of recent federal and state court decisions that have found that certain control share bylaws and the opting into state control share statutes violated the 1940 Act. The Board of Trustees has considered the DSTA Control Share Statute and the uncertainty around the general application under the 1940 Act of state control share statutes and enforcement of state control share statutes. The Board of Trustees intends to continue to monitor developments relating to the DSTA Control Share Statute and state control share statutes generally. Additionally, in some circumstances uncertainty may also exist in how to enforce the control share restrictions contained in state control share statutes against beneficial owners who hold their shares through financial intermediaries.

The limitations of the DSTA Control Share Statute described above could have the effect of depriving shareholders of an opportunity to sell their shares at a premium over prevailing market prices by discouraging a third party from seeking to obtain control over the Fund and may reduce market demand for the Fund’s common shares, which could have the effect of increasing the likelihood that the Fund’s common shares trade at a discount to net asset value and increasing the amount of any such discount.

OTHER MATTERS TO COME BEFORE THE MEETING

The Trustees of the Fund do not intend to present any other business at the Meeting, nor are they aware that any shareholder intends to do so. If, however, any other matters, including adjournments, are properly brought before the Meeting, the persons named in the accompanying proxy will vote thereon in accordance with their judgment.

SHAREHOLDER NOMINATIONS AND PROPOSALS

All proposals by shareholders of the Fund that are intended to be presented pursuant to Rule 14a-8 under the 1934 Act (“Rule 14a-8”) at the Fund’s next Annual Meeting of Shareholders to be held in 2027 (the “2027 Annual Meeting”) must be received by the Fund for consideration for inclusion in the Fund’s 2027 proxy statement and 2027 proxy relating to that meeting no later than December 2, 2026. Rule 14a-8 specifies a number of procedural and eligibility requirements to be satisfied by a shareholder submitting a proposal for inclusion in the Fund’s proxy materials pursuant to Rule 14a-8. Any shareholder contemplating submissions of such a proposal is referred to Rule 14a-8.

The Fund's Bylaws require shareholders that wish to nominate Trustees or make proposals to be voted on at an Annual Meeting of the Fund's Shareholders (and which are not proposed to be included in the Fund's proxy materials pursuant to Rule 14a-8) to provide timely notice of the nomination or proposal in writing. To be considered timely for the 2027 Annual Meeting, the shareholder notice (and information summarized below and described fully in the Fund's Bylaws) must be sent to the Fund's Secretary, c/o Gabelli Funds, LLC, One Corporate Center, Rye, NY 10580-1422, and must be received by the Secretary no earlier than December 13, 2026 and no later than January 11, 2027; provided, however, that if the 2027 Annual Meeting is to be held on a date that is earlier than April 16, 2027 or later than June 5, 2027, such notice must be so received not later than the close of business on the 10th day following the date on which notice of the date of the annual meeting was mailed or public disclosure of the date of such annual meeting was made, whichever occurred first. In no event shall the adjournment or postponement of an annual meeting, or the public announcement of such an adjournment or postponement, commence a new time period (or extend any time period) for the giving of a shareholder's notice as described above.

In order for a shareholder of record to propose a nominee for Trustee, such shareholder must furnish written notice setting forth specified information about the nominee and associates of the nominee, the shareholder(s) of record (and if different, each beneficial owner on whose behalf the nomination is being made) and associates of the shareholder(s), as well as an executed certificate by the nominee relating to the nominee's disclosure of any agreement, arrangement or understanding with any person or entity other than the Fund in connection with service as a Trustee of the Fund, the nominee's consent to serve as a Trustee if elected and the nominee's satisfaction of the Trustee qualifications set forth in the Fund's governing documents. If requested by the Nominating Committee, the proposing shareholder will need to also submit a completed and signed trustee's questionnaire, including a supplement, relating to the nominee's satisfaction of the qualifications requirements set forth in the governing documents.

The foregoing description of the procedures for a shareholder of the Fund properly to make a nomination for election to the Board or to propose other business for the Fund is only a summary and is not complete. Copies of the Fund's governing documents, including the provisions that concern the requirements for shareholder nominations and proposals, are available on the EDGAR Database on the SEC's website at www.sec.gov. The Fund will also furnish, without charge, a copy of its governing documents to a shareholder upon request, which may be requested by writing to the Fund's Secretary, c/o Gabelli Funds, LLC, One Corporate Center, Rye, NY 10580-1422. Any shareholder of the Fund considering making a nomination or other proposal should carefully review and comply with those provisions of the Fund's governing documents.
